Two women sitting oppositely in a garden of jasmine, without looking at each other while painting

GLORIA  
(speaking slowly)  
It's been a long time that we  
didn't have the opportunity to  
meet.

ANNE  
(nervous)  
Actually I was really surprised  
when I saw your name on my  
phone, especially after what  
happened between us.

FADE OUT

Gloria stood up on the table to take a new brush for her acrylic paint, looking at Anne.

GLORIA  
I wanted to meet you after all this  
time. It's been more than five  
years no?

ANNE  
(serious face)  
That's correct Gloria

Gloria turns around to go back to the chair again, but before that, she smiles and winks at Anne

GLORIA  
(speaking slowly, standing and  
painting)  
Someone told me that he's gone  
with another woman, and now you  
are alone.

GLORIA (CON'T)  
(Pausing and sitting down)  
Someone told me that you are  
suffering a lot alone, that anger  
has eaten your kind personality.

Anne goes to clean her brush

ANNE  
That's correct Gloria

GLORIA  
You have to talk me now that I am  
your friend because I've been there

ANNE  
(crying)  
I am sorry Gloria, It's just really  
hard to talk about it

ANNE  
(shouting)  
He was my man! You took him away

family, he was a good father for  
our kids and now you tell me he is  
with another woman!

A waiter approaches slowly, holding with his right hand a tray containing a teapot, a tea cup, a sugar bowl and a teaspoon. He goes towards Gloria, leaving the tray on a small table on the right side of Gloria. While Anne picks up her bag from the floor, she puts the knife inside the bag. The waiter walks away.

ANNE

(calm, leaving the bag on the  
floor)

Don't worry, we can be friends!
